Valley City, ND 58072

The Barnes County Commission met in special session through Teams on Tuesday, October 29, 2024 with Cindy Schwehr, Bill Carlblom, Pete Paulson, and Shawn Olauson present via Teams. Vicky Lovell was absent. Chairman Carlblom called the meeting to order at 9:01 a.m.

Planning & Zoning

Jessica Jenrich presented a variance from Tyler Van Bruggen for a setback variance of 7' for a garage on Lot 11 of Lakeview Subdivision, 16-142-58 of Ashtabula Township. This would reduce the setback on the north side of the lot from 25" to 7'. Gina Kelly voiced opposition to the variance setback over concern on discrepancy on the property line. Tyler had KLJ out to measure. Moving the building is difficult because of the driveway easement, drain field, and utilities. Bill Carlblom moved to approve the setback variance as presented. Pete Paulson seconded the motion. The motion carried with all present members on the call voting yes.

With no further business, Pete Paulson made a motion, seconded by Bill Carlblom, to adjourn the meeting. Motion carried unanimously, and the meeting was adjourned at 9:22 a.m.
