The District reserves the right to amend this agenda any time prior to the start of the meeting. Notice to landowners and Operators: Prior written approval of any project involving any drainage or obstruction of water must be secured from the Water Resource Board. This approval is in addition to any approval required by USDA, FSA, NRCS, or any other state or federal agency. Barnes County will consider every request for reasonable accommodation to provide: an accessible meeting facility or other accommodation for people with disabilities, language interpretation for people with limited English proficiency (LEP), and translations of written material necessary to access County programs and information. Appropriate provisions will be considered when the County is notified at least 10 days prior to the meeting date or the date the written material translation is needed. To request accommodations, contact Julie Mindt at (701-845-6666) or ([jmindt@barnescounty.us](mailto:jmindt@barnescounty.us)).
