We have implemented an option by which the public may tune in to the Commission meeting via teleconference. Simply dial the number below and follow the instructions for the conference ID. Please note, this is a Fargo number, so use of cell phone, rather than landline, is recommended, to avoid charges. As callers join the meeting, we will be “muting” them to avoid unnecessary feedback and background noise. Callers may use \*6 to unmute themselves and speak to the commission.
